

THE THREAT OF AN
ANIMAL DISEASE IS REAL.

WILL YOU BE PREPARED?

TAKE THE
FIRST STEP

REGISTER YOUR PREMISES

In an animal health emergency, no one can help you protect your animals if they don't know you are there. Choosing to register your premises ensures you will be notified quickly when a disease event might put your animals at risk. Voluntary participation means you have the information you need – when you need it most – to protect your animals and your investment.

Premises registration is voluntary at the federal level. To learn how you may easily protect your premises, visit www.angus-nais.org and access valuable NAIS and Angus Association resources as well as printable premises registration forms.

YOUR ANIMALS. YOUR LIVELIHOOD. YOUR FUTURE. YOUR NAIS.
